

Free Online Concussion Course Available at www.nfhslearn.com!

Concussion is prevalent in many sports due to the physical nature often involved in the games.

The National Federation of State High School Associations has developed an online concussion course that is **FREE** to **EVERYONE**. This course was developed for officials, coaches, students, administrators and anyone that is involved or around students. Once again, this is a **free course** that can be completed in 20-25 minutes online. Concussion in Sports - What You Need to Know will inform the user on how to recognize the signs and symptoms of concussion. Visit www.nfhslearn.com to find this free course!
